Counselling Session for Teachers

A Counselling Session for teachers was held on 9th March '23 on the topic: Early Identification and Intervention for Children in need of Mental Health and Well-Being Support - A Guide for Teachers.

Highlights of the session:

1. Various mental health needs and concerns of children and adolescents were discussed, namely- Depression, Anxiety, Loss and Grief, Problematic Internet Use, Disruptive Behaviours, Gender Identity and Sexual Orientation.
2. The statistics regarding impact of the above concerns and the various flag signs to identify children in need of mental health support were also deliberated upon.
3. Reflections on the role of the teacher as a support system and as first responders were emphasized upon.
4. Ideas for classroom changes that can be made to encourage self-regulation were also suggested.
5. Materials and tools were shared with teachers for further psycho-education on learning skills in managing children and other stakeholders involved.

Editorial...

The Spring unravels its enchanting beauty out of dull and drab environment and touches every heart with a sweet message, "We can only appreciate the miracle of a sunrise, if we have waited in darkness." Let's wish to strive for a new horizon and guide our promising learners to achieve newer heights in the world. All the very best for the current session 2023-24. Wish you all a Happy Rongali Bihu and Bwisagu!
